

BRIAN BAYS

Creative Producer • Editor • Filmmaker • Post-Production Manager

Canyon Country, CA | (818) 422-8344 | brianbays.com | brianbays@hotmail.com

Creative producer, editor, and filmmaker with more than two decades of post-production experience and an MFA in Film Production. Combines original storytelling and hands-on editing with global team leadership, technical problem solving, and studio delivery experience. Brings an end-to-end understanding of the production process from creative development through final delivery.

SELECTED CREATIVE PROJECTS

THE EVIL IN ME

Creator • Writer • Director • Editor

- Producing an original supernatural horror web series adapted from my original feature screenplay, combining traditional storytelling with AI-assisted production workflows.
- Managing the creative process from screenplay through final edit and release.

HEAD GAMES

Writer • Producer • Editor

- Produced a promotional concept trailer based on my original feature screenplay, combining cinematic editing, music, sound design, and AI-generated visuals to showcase the story's tone and commercial potential.

THE TEST

- Optioned feature screenplay • PAGE Awards Semi-Finalist

PROFESSIONAL EXPERIENCE

Deluxe Digital Studios | Burbank, CA

Post-Production Manager (2002–2025)

- Led global post-production teams delivering high-volume entertainment releases for Disney, Paramount, Warner Bros., Universal, and other studio clients.
- Coordinated schedules and resources across teams in the US, India, Malaysia, London, and Canada; streamlined workflows to reduce turnaround times and operating costs.
- Managed technical troubleshooting, client escalations, and last-minute revisions while maintaining quality and meeting aggressive delivery deadlines.
- Developed production tools, templates, and specifications that saved hundreds of hours across departments; received multiple Great Performer Awards for these improvements.
- Collaborated with Scenarist on version 5, released in 2020, including multi-angle branching capabilities.

CORE SKILLS
